Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

The Forester XT is living, breathing proof that Subaru has lost its way. The Toyota-fication of the brand has now reached its pinnacle in the redesigned Forester, and it stands tall (really, really tall) as the perfect example of how to alienate the hippies and hoons that bought Subaru after Subaru. To put it succinctly, driving the new Forester XT is like answering the door expecting Ed ...
