Africa The Politics Of Suffering

In Africa: the Politics of Suffering and Smiling Patrick Chabal approaches this question differently by reconsidering the role of theory in African politics. Chabal discusses the limitations of existing political theories of Africa and proposes a different starting point; arguing that political thinking ought to be driven by the need to address the immediacy of everyday life and death.

Africa: The Politics of Suffering and Smiling (World ...

The question usually asked about Africa is: 'why is it going wrong?' Is the continent still suffering from the ravages of colonialism? Or is it the victim of postcolonial economic exploitation, poor governance and lack of aid? Whatever the answer, increasingly the result is poverty and violence.

This book discusses the limitations of political theories of Africa and proposes a starting point; arguing that political thinking ought to be driven by the need to address the immediacy of everyday life and death.

Africa: The Politics of Suffering and Smiling

The overarching conclusion that Chabal makes is that without the intrinsic scholarly understanding of the politics of being, belonging, believing, striving, surviving, and suffering in Africa, one would continue to capture African localities and political realities with the same Eurocentric and Western theories and theoretical frameworks that he describes as the orthodox approach to studying Africa.

In doing so, Chabal proposes a radically different way of looking at politics in Africa and illuminates the ways ordinary people "suffer and smile." This is a highly original addition to Zed's groundbreaking Global Political Theories series.

Africa: The Politics of Suffering and Smiling | African ...

The parliamentary debate on 18 February, that was meant to reflect on the previous week's State of the Nation Address, unravelled into a mudslinging match as ANC and EFF MPs accused each other of domestic abuse. The spectacle undermined the great efforts in the country to draw attention to and overcome gender-based violence. Stan Muyebe [...]
