### Art Objects Essays On Ecstasy

Art Objects is not just a collection of potent observations on art and wordsmithery, but also a highly potent example of the same. In these essays on ecstasy and effrontery, Winterson excavates the true value of 'Wordsmith' is a title I use very sparingly, but one that I can never spare in a discussion about Jeanette Winterson's writing — any of it.

In fact, the critics often sound more eloquent in exploring a world they do not even create. So it was with trepidation I approached the novelist Jeanette Winterson's collection, Art Objects: Essays on Ecstasy and Effrontery. But Winterson succeeds in delving into the world of art criticism with the power of a creative writer and creative mind.
