Biopolitics. An advanced introduction

(PDF) Biopolitics. An advanced introduction | Thomas Lemke ...

Biopolitics is not easy to define. In *Biopolitics: An Advanced Introduction*, German sociologist Thomas Lemke does not back away from this fact but instead seeks to provide a historical narrative outlining the contours and development of the term and its use. In fact, the term has been used in conflicting and contradictory ways, so a standard ...

Biopolitics An Advanced Introduction [EBOOK]

The far-reaching influence of the biopolitical - the relation of politics to life, or the state to the body - is not surprising given its centrality to matters such as healthcare, abortion, immigration, and the global distribution of essential medicines and medical technologies. In his famous 1976 essay, "Right of Death and Power over Life," Michel Foucault gave a new and unprecedented meaning to the term "biopolitics."
