In many regards, a chiropractic examination is very similar to standard examination procedures administered by all health care providers. With that said, how chiropractors examine the structure and function of the spine and then determine specific chiropractic treatments separates chiropractic care from other disciplines.. See What to Expect at the First Chiropractic Consultation

Chiropractic Examination - Spine-health

A chiropractor provides benefits to clients that are different from those provided by a medical doctor. The chiropractor should respond honestly and without apologies to cross-examination questions concerning whether or not a chiropractor is a medical doctor. She should simply answer the question that is asked and not try to be an advocate.

Deposing Chiropractors | James Education Center

Question: Dr Kotlar, "I'm not sure when a re-examination should be performed. I've heard that re-exams should be done every 30 days. On some patients, I do not do re-exams at all. Some health plans deny my re-exams because they only pay for one exam per year and Medicare doesn't pay for re-exams.
