Churchill: The Power of Words is a compelling read for anyone interested in history, British history in particular. It isn't a biography exactly. Instead it's a chronological arrangement of (select) quotes taken from his writings and speeches that give you a sense of who he was.

Churchill: The Power of Words by Winston S. Churchill

Winston Churchill became Prime Minister of Great Britain in 1940, at a time of great international crisis, when dictatorship looked likely to triumph in Europe. Churchill used the power of words to boost morale, to rally resistance, to defy Hitler, and to build an alliance with the United States. His words had warned of
