Librivox.org is a dream come true for audiobook lovers. All the books here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start.

The Missing Manual Series is excellent. My college course in CSS used the Missing Manual, and it was so good that when I decided I needed to get a bit more solid with my HTML, it was a natural to pick up their book on the subject.

HTML5: The Missing Manual (Missing Manuals) Second Edition

After learning HTML, I found it difficult learning CSS. I bought CSS: The Definitive Guide but it was too theoretical until I came across Missing Manual. Every chapter was explained so well with clear examples including "positioning" which I found extremely difficult to learn in Definitive Guide. David Sawyer McFarlane is a great teacher.
