Honors Geometry Lesson Plans

A mini lesson is a short lesson with a narrow focus that provides instruction in a skill or concept that students will then relate to a larger lesson that will follow. A mini lesson typically precedes reading workshop or writing workshop, but it can serve as an introduction to a social studies , science , or math lesson.

This is an example of a mini-lesson I did at the end of the year with my Math 7 Honors students. It is actually an 8th grade Geometry lesson. I am still unable to access any of my SMARTBoard files GRRRR, but I had this uploaded to Google Classroom at the end of the year and can at least show you an example.
