Alan Scott's Green Lantern history originally began thousands of years ago when a mystical "green flame" meteor fell to Earth in ancient China. The voice of the flame prophesied that it would act three times: once to bring death (a lamp-maker named Luke Fairclough crafted the green metal of the meteor into a lamp; in fear and as punishment for what they thought sacrilege, the local villagers ...

Green Lantern - Wikipedia

The mask design is basically made of white plastic, and a green cloth is cut to the shape of the mask and glued to it. The fabric of the cloth is good. The problem was that part of the cloth of peeled off from the corner. I tried to fix it, but still some white from the plastic was showing, and it did not look good.
