It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' texbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

7 STAR Training Icebreakers and Energizers. One of a trainer's main challenges is to manage energy level, both up and down. Trainers can use an energizer or icebreaker as a brief activity to increase the energy level of participants by engaging them in physical activity. Having fun and laughter will also boost learners' attention level, stimulate creativity, and break down any barriers between people and/or the topic of the training.
