The Informal Reading Inventory (IRI) is an individually administered survey designed to help you determine a student's reading instructional needs. A student's performance on the IRI will help you determine the instructional level and the amount and kind of support the student is likely to need in Invitations to Literacy.

Using the Informal Reading Inventory

The reading passages consist of two passages per level: Preprimer through Grade 8. One set of these graded passages can be used to assess students' oral reading, and the other can be used to assess silent reading. You may also wish to use the silent reading passages to assess students' listening comprehension. Abbreviations used in this instrument include:
