If you're looking for some fun fiction to enjoy on an Android device, Google's bookshop is worth a look, but Play Books feel like something of an afterthought compared to the well developed Play Music.

Kindle 2 Repair Guide
The Kindle 2 features many design and hardware improvements over the original Kindle. It has a slimmer design, QWERTY keyboard, faster processor, text-to-speech option, and longer battery life. Some criticisms of the Kindle 2 include the incapability to read Word and PDF documents, high price, removal of the SD card slot, and lack of public-domain books that are available on the Sony Reader.
