Swather Header won't go down - posted in Machinery: I have a Hesston 8200 swather (Same as a CaseIH 8830/8840). I was cutting, came to the end of the field, raised the head up, turned and the head wont go back down. - I can hear the pump engage when I try to raise the head (it already all the way up). - I dont hear any valve or hyd. noise when I try to lower it.
