I was very excited when I realized that there was a Real Science-4-Kids, Chemistry II available. My children have used Level I versions of all the Real Science-4-Kids books with great success. I found the Level I books to be clear and well-organized. They made science accessible and interesting for my kids.

Real Science 4 Kids Chemistry This year I decided to try the Real Science 4 Kids curriculum. There are not a lot of secular science curriculums aimed at homeschoolers, and I had heard good reviews on this one. My sons are now in grades 6 and 7 so I figured the Middle School, grades 5-8, version would be perfect for us. ...
