Rethinking World

Politics

In the years after 2007, the European Union (EU) underwent a deep and drawn-out economic, social and political crisis. The Great Recession, the Eurozone Crisis and the politics of rigour and austerity plunged half the Eurozone into an exceptionally deep and long-lasting slump. Member-state governments teetered on the edge of bankruptcy.

salience of immigration in the EU's member states. Drawing on a new study, Andrea Fumarola explains how both crises have reshaped not only the policy agendas of governments, but also the dynamics of party competition. The last twenty years were marked by historical events like the 2004, 2007 and 2013 EU enlargements, the ...
