The Yompers With 45 Commando

Called to action on 2
April 1982, the men of
45 Commando Royal
Marines assembled
from around the world
to sail 8,000 miles to
recover the Falkland
Islands from Argentine
invasion. Lacking

Given the intense public interest in the dramatic events then unfolding in the South Atlantic, it caught on and is now in common usage. The Yompers is the first account to be written by a company commander who fought in the Falklands War. Called to action from their beds early on 2 April 1982, the author along with the rest of 45 Commando...
