The bow and arrow are actually just a pretext for something that could just as well happen without them. They are only the way to a goal, not the goal itself. Only the truly detached can understand what is meant by "detachment," and that only the contemplative, who is completely empty and rid of the self, the ego, is ready to "become one" with the "transcendent deity."

Zen in the Art of Archery - Your Golden Buddha

Zen in the Art of Archery (Zen in der Kunst des Bogenschießens) is a book by German philosophy professor Eugen Herrigel, published in 1948, about his experiences studying Kyūdō, a form of Japanese archery, when he lived in Japan in the 1920s. It is credited with introducing Zen to Western audiences in the late 1940s and 1950s.

Zen in the Art of Archery by Eugen Herrigel - free PDF

A young Japanese archer took great pride in the excellence of his marksmanship with a bow and arrow. Having read a lot of pithy Zen stories and received some basic training on mindfulness, he soon came to the conclusion that he was a true master of archery.

Zen Archery (story And Poems) - The Robert Beer Blog

Archery spread also outside the warrior class. The samurai were affected by the straightforward philosophy and aim for self-control in Zen Buddhism that was introduced by Chinese monks. Earlier archery had been called kyūjutsu, the skill of bow, but monks acting even as martial arts teachers led to creation of a new concept: kyūdō. [citation ...

Kyūdō - Wikipedia

A short and simple book about how Zen masters practice archery, and a memoir of the author's archery training in Japan. Become one with the bow, let the arrow shoot itself, that sort of thing. It's interesting to read a book about Zen when it was still very new in the West.
